

Expanding Quality in Infant Toddler Care

2010-2011 Registration

The 48-hour EQIT Curriculum provides a solid introduction to infant and toddler development, with a focus on providing quality group care for our youngest children. The EQIT course builds on the knowledge and experiences of infant and toddler caregivers through interesting, interactive and fun activities.

With funding provided by the Colorado Department of Education, the Alliance for Kids is pleased to sponsor FOUR sessions of the EQIT training in the 2010-2011 fiscal year. Each of these trainings will have limited space available and you MUST attend all classes to receive your certificate.

The EQIT Curriculum has been approved by the Division of Child Care as one of the classes that can be used for Group Leader Qualifications along with ECE 101 AND will count toward the Infant Toddler class that will be required for the NEW Director Certification.

The Expanding Quality in Infant Toddler Care curriculum covers the following topics:

Emotional Development
Responsive Care
Family Partnerships
Safety, Health, and Nutrition
Learning Environments
Curriculum
